DOCUMENT CONTROL

Product Specification

Version: 1.1
Issued: 29.09.2026
Applies to: Rose Raduga Absolute
Scope: Commercial specification
Status: Approved

Indicative values. The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at **sales@bioform.bg** or +359 889 45 05 50.

DESCRIPTION

Rose Raduga absolute is produced by ethanol washing of our Rosa Raduga concrete, yielding a highly concentrated aromatic liquid with the variety's characteristic intensity — deep, spicy floral rose notes with a pronounced fruity undertone that makes it immediately recognisable alongside other rose absolutes. The absolute process captures the full spectrum of the variety's aromatic complexity, including heavier fragrance molecules not recoverable by steam distillation.

IDENTITY AND ORIGIN

Botanical Name	Rosa Raduga variety
Common Name	Rose Raduga Absolute, French Rose Absolute
Plant Part	Fresh flower petals
Extraction	Hexane solvent extraction → ethanol washing of concrete
Origin	Bulgaria — Rose Valley, Village Tazha
Cultivation	Certified organic, own plantation

Appearance	Deep reddish-brown viscous liquid
Aroma Profile	Intensely floral, deep, spicy rose with pronounced fruity character
CAS Number	90106-38-0
Certifications	EU Organic (Ceres), USDA NOP, ISO 9001, ISO 22000, GMP
Applications	Fine fragrance, niche perfumery, luxury cosmetics, premium skincare

STORAGE, SHELF LIFE AND PACKAGING

Shelf life	24 months General guidance for this product family, from the date of manufacture, in the original closed container stored as stated.
Storage conditions	Tightly closed containers in a cool (below 25 °C), dark place, away from heat and ignition sources. May thicken or deposit waxes when cold; warm gently and mix before use.
Supply	Bulk B2B — enquire for available batch sizes and MOQ
Batch documents (on request)	COA, GC-MS analysis and pesticide screen, per batch on request

REMARK: The information in this document describes the product as supplied by Bioform Ltd and is given in good faith.

Place: 6160 Tazha, Bulgaria
