## Rose Centifolia Concrete

BIOFORM

NATURE'S FINEST MATERIALS

PRODUCT **Rose Centifolia Concrete** · BOTANICAL NAME **Rosa centifolia L.** · DATE **29.09.2026**

### PRODUCER

Bioform Ltd

Str. Oreshaka 5, Village Tazha  
6160 Pavel Banya, Stara Zagora, Bulgaria  
Tel: +359 889 45 05 50  
E-mail: sales@bioform.bg

### DOCUMENT CONTROL

Process Flow Chart

Version: 1.1  
Issued: 29.09.2026  
Applies to: Rose Centifolia Concrete  
Scope: Manufacturing process  
Status: Approved

**Indicative values.** The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at [sales@bioform.bg](mailto:sales@bioform.bg) or +359 889 45 05 50.

| # | PROCESS STAGE            | DESCRIPTION                                                                                                            |
|---|--------------------------|------------------------------------------------------------------------------------------------------------------------|
| 1 | Raw material             | Fresh flower petals — Certified organic, own plantation (14 ha).                                                       |
| 2 | Reception and inspection | Weighing, identity and condition check, lot number assigned.                                                           |
| 3 | Solvent extraction       | Hexane solvent extraction of the plant material.                                                                       |
| 4 | Solvent recovery         | Solvent evaporated under reduced pressure and recycled.<br><b>SIDE STREAM</b> Recovered solvent returned to extraction |
| 5 | Concrete                 | Waxy aromatic concrete collected.                                                                                      |
| 6 | Quality control          | Aromatic profile, residual solvent, physico-chemical check.                                                            |
| 7 | Packing and labelling    | Filled into closed containers, batch-coded labels.                                                                     |
| 8 | Storage and dispatch     | Cool, dark storage until dispatch with batch documents.                                                                |
