DOCUMENT CONTROL

Product Specification

Version: 1.1
Issued: 29.09.2026
Applies to: Lavender Absolute
Scope: Commercial specification
Status: Approved

Indicative values. The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at **sales@bioform.bg** or +359 889 45 05 50.

DESCRIPTION

Lavender absolute is produced by ethanol washing of our Lavandula angustifolia concrete, yielding a deeply concentrated aromatic liquid that captures the full complexity of the Bulgarian lavender flower — including the heavier, wax-bound fragrance molecules that are not present in the steam-distilled essential oil. The result is a richer, more tenacious lavender note with pronounced floral depth and superior substantivity, making it the preferred choice for fine fragrance applications requiring longevity.

IDENTITY AND ORIGIN

Botanical Name	Lavandula angustifolia Mill.
Common Name	True Lavender Absolute, Bulgarian Lavender Absolute
Plant Part	Flowering tops
Extraction	Hexane solvent extraction → ethanol washing of concrete
Origin	Bulgaria — Rose Valley, Village Tazha
Cultivation	Certified organic, own plantation (33 ha)

Appearance	Dark green to olive-brown viscous liquid
Aroma Profile	Rich, full-bodied lavender — deeper, more floral and tenacious than the essential oil
CAS Number	8000-28-0
Certifications	EU Organic (Ceres), USDA NOP, ISO 9001, ISO 22000, GMP
Applications	Fine fragrance, luxury perfumery, high-end cosmetics, premium skincare

STORAGE, SHELF LIFE AND PACKAGING

Shelf life	24 months General guidance for this product family, from the date of manufacture, in the original closed container stored as stated.
Storage conditions	Tightly closed containers in a cool (below 25 °C), dark place, away from heat and ignition sources. May thicken or deposit waxes when cold; warm gently and mix before use.
Supply	Bulk B2B — enquire for available batch sizes and MOQ
Batch documents (on request)	COA, GC-MS analysis and pesticide screen, per batch on request

REMARK: The information in this document describes the product as supplied by Bioform Ltd and is given in good faith.

Place: 6160 Tazha, Bulgaria
