DOCUMENT CONTROL

Product Specification

Version: 1.1
Issued: 29.09.2026
Applies to: Chamomile Floral Water
Scope: Commercial specification
Status: Approved

Indicative values. The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at **sales@bioform.bg** or +359 889 45 05 50.

DESCRIPTION

Chamomile floral water is the pure hydrosol collected during steam distillation of Matricaria recutita flowering tops from Bioform's own certified organic plantations. It carries the water-soluble aromatic and active compounds of German chamomile — including a proportion of chamazulene-derived components and bisabolol oxides — in a gentle, skin-compatible aqueous form that is considerably less concentrated and more skin-friendly than the essential oil.

IDENTITY AND ORIGIN

Botanical Name	Matricaria recutita L. (syn. Matricaria chamomilla)
Common Name	German Chamomile Hydrosol, Blue Chamomile Water
Plant Part	Flowering tops
Extraction	Steam distillation (hydrosol fraction)
Origin	Bulgaria — Rose Valley, Village Tazha
Cultivation	Certified organic, own plantation

Appearance	Clear to very pale blue-tinged liquid
Aroma Profile	Sweet, warm, apple-like chamomile — gentle and delicate
CAS Number	8002-66-2
Certifications	EU Organic (Ceres), USDA NOP, ISO 9001, ISO 22000, GMP
Applications	Skincare, sensitive skin formulations, baby care, cosmetics, food & beverage

STORAGE, SHELF LIFE AND PACKAGING

Shelf life	12 months General guidance for this product family, from the date of manufacture, in the original closed container stored as stated.
Storage conditions	Closed, full containers in a cool (2–15 °C), dark place, protected from contamination and freezing. Once opened, use promptly.
Supply	Bulk B2B — enquire for available batch sizes and MOQ
Batch documents (on request)	COA, microbiological analysis and pesticide screen, per batch on request

REMARK: The information in this document describes the product as supplied by Bioform Ltd and is given in good faith.
