Product Specification

Version: 1.1
Issued: 29.09.2026
Applies to: Helichrysum Essential Oil
Scope: Commercial specification
Status: Approved

Indicative values. The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at **sales@bioform.bg** or +359 889 45 05 50.

DESCRIPTION

Helichrysum italicum — commonly known as Immortelle or Everlasting — produces one of the most valued essential oils in modern skincare and aromatherapy. Bioform cultivates 15 hectares of certified organic Helichrysum italicum in Bulgaria's Rose Valley and distils the flowering tops on site, capturing the oil's full spectrum of bioactive compounds including neryl acetate, italidiones and curcumene that underpin its exceptional reputation in dermatological applications.

IDENTITY AND ORIGIN
