DOCUMENT CONTROL

Product Specification

Version: 1.1
Issued: 29.09.2026
Applies to: Rose Damascena Essential Oil
Scope: Commercial specification
Status: Approved

Indicative values. The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at sales@bioform.bg or +359 889 45 05 50.

DESCRIPTION

Bulgarian Rose Damascena is widely considered the most prized essential oil in the world — a complex, multi-layered floral aromatic distilled from the petals of *Rosa damascena*, the oil-bearing rose cultivated for centuries in Bulgaria's Rose Valley. Bioform's Rose Damascena essential oil is produced from our own 120 hectare organic plantation, steam distilled on site within hours of harvest to capture the full aromatic and chemical complexity of the fresh blossom.

IDENTITY AND ORIGIN

Botanical Name	Rosa damascena Mill.	Appearance	Pale yellow to greenish-yellow liquid; may solidify below 18°C
Common Name	Bulgarian Rose Damascena, Rose Essential Oil, Rose Otto	Aroma Profile	Rich floral rose, honey, litchi, waxy, slightly spicy
Plant Part	Fresh flower petals	CAS Number	90106-38-0
