DOCUMENT CONTROL

Product Specification

Version: 1.1
Issued: 29.09.2026
Applies to: Rose Alba Floral Water
Scope: Commercial specification
Status: Approved

Indicative values. The values in this document are typical of the product, not the results of a particular batch. For batch-specific documentation and values (certificate of analysis, GC-MS report), contact us at **sales@bioform.bg** or +359 889 45 05 50.

DESCRIPTION

Rose Alba floral water is the pure hydrosol produced as a co-distillate during steam distillation of fresh Rosa alba petals from Bioform's own 15-hectare certified organic plantation. The hydrosol carries the water-soluble aromatic compounds of the white rose in a gentle aqueous form — soft, sweet and distinctly lighter in character than Rosa damascena water, making it particularly suited to delicate skincare formulations and sensitive skin applications.

IDENTITY AND ORIGIN

Botanical Name	Rosa alba L.
Common Name	Rose Alba Hydrosol, White Rose Water
Plant Part	Fresh flower petals
Extraction	Steam distillation (hydrosol fraction)
Origin	Bulgaria — Rose Valley, Village Tazha
Cultivation	Certified organic, own plantation (15 ha)

Appearance	Clear, colourless to very pale liquid
Aroma Profile	Soft, gentle, sweet white rose — lighter and more delicate than Rosa damascena hydrosol
CAS Number	93334-48-6
Certifications	EU Organic (Ceres), USDA NOP, ISO 9001, ISO 22000, GMP
Applications	Skincare, cosmetics, sensitive skin formulations, food & beverage, pharmaceutical

STORAGE, SHELF LIFE AND PACKAGING

Shelf life	12 months General guidance for this product family, from the date of manufacture, in the original closed container stored as stated.
Storage conditions	Closed, full containers in a cool (2–15 °C), dark place, protected from contamination and freezing. Once opened, use promptly.
Supply	Bulk B2B — limited seasonal availability; enquire early
Batch documents (on request)	COA, microbiological analysis and pesticide screen, per batch on request

REMARK: The information in this document describes the product as supplied by Bioform Ltd and is given in good faith.

Place: 6160 Tazha, Bulgaria
Date: 29.09.2026
